

## Battery Management System

- Features:
- Size: 50x21x1mm
- Maximum discharge current: 10A
- Overcharge detection voltage: 4.25-4.35V0.05V
- Over-discharge detection voltage: 2.3-3.0V0.05V
- Maximum working current: 5A-8A
- Transient current: 9A-10A
- Operating temperature: -40~50
- Storage temperature: -40~80
